

CHRONIC HEART FAILURE

**YOUR
HEART
CARE
IS OUR
PRIORITY**

We optimize
chronic heart
failure care.

Our dedicated home health team
inspires your confidence and
optimizes your results through our
specialized heart failure care services.

OUR SPECIALIZED PROGRAM

IV home diuresis

Increased home visits

Comprehensive medication oversight

CHF kit with essential management tools

Standing orders to treat
fluid volume overload

Care coordination with your physicians

Education to improve understanding

CHRONIC HEART FAILURE

WE KEEP
YOU HEALTHY
at home.

The Heart of the program is a home IV diuretic protocol. This protocol will help prevent unnecessary ER visits and diuresis re-hospitalizations.
